## Chef Angela's Turkey Salad Trio

### Base Recipe:

#### INGREDIENTS:

3 cups (approx.) shredded turkey (I used my Kitchen Aid mixer, for hands-free shredding)

1/2 of a Gala apple finely chopped\*

3 stalks finely chopped celery

1/4 cup mayonnaise

1/2 cup sour cream (feel free to sub Greek yogurt for a healthier option)

Splash of milk

2 tsp. sugar

Salt & pepper to taste

1/2 tsp. garlic powder

\*Feel free to use any type of apple, or omit the apple, I just had half an apple leftover!

#### DIRECTIONS:

♥ Combine all ingredients together in a large bowl. Add mix-ins as desired.

### For Sweet Potato –Turkey Salad:

You guessed it, I added about 1/2 cup of sweet potato casserole to about 1 1/2 cups of turkey salad; add more or less sweet potatoes depending on how much of a sweet tooth you have! This would also be so yummy with some chopped pecans added, ooooo chopped candied pecans!!

### For Cranberry –Turkey Salad:

I added about 1/2 cup cranberry sauce to 1 1/2 cups turkey salad. This combo is really good! On my appetizer menu, one of the deli wraps bites I offer is turkey/cranberry, so no surprise here in how tasty it is! This would also be SO yummy with some added feta crumbles!
