MiMi's Pizza Dough

Makes 1 large pizza

INGREDIENTS:

1 package active dry yeast

1 cup warm water (this recipe has been modified throughout the years, my Mom now uses 1/2 cup water and 1/2 cup milk)

Scant 1/4 cup sugar

1/4 cup oil

4 cups flour

1 tsp. salt

DIRECTIONS:

- ♥ Mix yeast, warm water, sugar, and oil together.
- ♥ Let "rest" (sit) for about 20 minutes until yeast starts to foam.
- ♥ Add flour and salt, mix together, knead and then let rise.
- ♥ Punch down the dough, then roll out the pizza, place on a greased pizza stone, top with pizza sauce and desired toppings.
- ♥ Bake at 425 degrees for about 15-20 minutes, until the bottom of the crust is golden brown (you have to slip a spatula under the crust and take a peek).
- ♥ Enjoy!
